சம்பள குறைதீர்க்கும் குழு

நீண்ட சட்ட போராட்டத்திற்குப்பின் ஒரு தீர்வாக பொறியாளர்களின் சம்பள விகிதங்களில் உள்ள வேறுபாடுகளை களைந்திட நீதியரசர் திரு.D.முருகேசன், ஓய்வு பெற்ற தலைமை நீதிபதி, டெல்லி உயர் நீதிமன்றம் அவர்கள் தலைமையில் சம்பள குறை தீர்க்கும் குழு அமைத்து மாண்புமிகு உச்ச நீதிமன்றம் உத்தரவிட்டுள்ளது.

கடந்த 6வது ஊதியக்குழுவிற்குப்பின் அமைக்கப்பட்ட ஒரு நபர் குழுவில் நம்முடைய 40 ஆண்டுகால கோரிக்கை ஏற்கப்பட்டு உதவிப் பொறியாளர்களுக்கு பிற துறையில் உள்ளோர்க்கு (குறிப்பாக மருத்துவர், வழக்கறிஞர்) இணையாக ஊதியம் வழங்கப்பட்டது. இவ்வூதியமானது நம் துறைக்கு சம்பந்தமில்லாத பிற பணியாளர்களை ஒப்பிட்டு இரண்டு முறை குறைக்கப்பட்டது அனைவரும் அறிந்ததாகும். இதற்காக கடந்த 2011 முதல் கடந்த மாதம் வரை உயர்நீதிமன்றத்திலும், உச்சநீதிமன்றத்திலும் இடைவிடாது சட்டப் போராட்டம் நடத்தி நீதியரசர் தலைமையில் சம்பள குறை தீர்க்கும் குழுவை அமைக்கும் உச்சநீதிமன்ற உத்தரவினைப் பெற்றுள்ளோம்.

நமதுறையில் நமக்கு சார் நிலையில் உள்ள அலுவலர்களுடனும், பொறியியல் அல்லாத பிற துறையில் உள்ள அலுவலர்களுடனும் நம்மை ஒப்பிடாமல் நமது பொறியாளர்களின் கல்வித் தகுதி, பணிச்சமை, பதவி உயர்வில் தேக்கநிலை, பணியில் சேருவதற்கான போட்டித் தேர்வின்முறை போன்றவற்றை அளவாகக் கொண்டு உதவிப் பொறியாளர்களின் ஊதிய விகிதம் நிர்ணயம் செய்யப்பட வேண்டும் எனபதே நமது விண்ணப்பமாகும்.

நீதியரசர் தலைமையில் உள்ள குழு தக்க நீதியை வழங்கி நமது உதவிப் பொறியாளர்கள், உதவிச் செயற்பொறியாளர்கள் மற்றும் செயற் பொறியாளர்களின் ஊதிய விகிதத்தை நிலை நிறுத்தும் என நம்புவோம்.

Extract of Pay Scale Case Judgment

IN THE SUPREME COURT OF INDIA
CIVIL APPELLATE JURISDICTION
CIVIL APPEAL NO.10029 OF 2017

Tamil Nadu Rural Development Engineers and
Assistant Engineers Association

...Appellant(s)

VERSUS

Government of Tamil Nadu and Others

...Respondents

WITH
CIVIL APPEAL NO.10030-10189 of 2017
CIVIL APPEAL NO.10190 of 2017
CIVIL APPEAL NO.10191 of 2017
AND
CIVIL APPEAL NO.10192 of 2017
J U D G M E N T

Uday Umesh Lalit, J.

These Appeals arise out of the judgment and order dated 27.02.2014 passed by the High Court of Judicature at Madras in Writ Appeal No.504 of 2012 and all other connected matters.

11. Two sets of appeals have been filed in this Court challenging the decision of the Division Bench. The first set is by the Government Employees and their Associations submitting *inter alia* that once the process undertaken by the State Government was found to be in violation of the principles of natural justice, complete benefit of setting aside the impugned decisions ought to have been extended. It is also submitted that the exercise undertaken by the One Man Commission was a proper exercise and its recommendations were accepted by the State Government after considering the matter carefully and thus there was no occasion for the State Government to take any different view in the matter. On the other hand, the second set of appeals, at the instance of the State Government submits *inter alia* that the exercise undertaken by the PGRC was after giving due opportunity to the concerned employees and their Associations and as such the High Court was not justified in setting aside GO No.242 seeking to implement the recommendations given by the PGRC.

By interim order passed in these matters, stay of operation of the judgment under appeal, to the extent fresh PGRC was directed to be set up, was granted by this Court which status is still continuing.

12. We heard Mr.Dushyant Dave, Mr.R.Venkataramani, Mr.C.A.Sundaram, Mr.P.S.Patwalia, Mr.Vinay Navare, learned Senior Advocates and Mr.Prashant Bhushan, learned Advocate for the appellants in the first set of appeals and Mr. Vijay Narayan, learned Advocate General for the State. It was submitted by the learned counsel appearing for the Government Employees and their Associations that having accepted the recommendations made by the One Man Commission and having given benefits in terms of said recommendations, the State Government could not have lowered the pay scales of the concerned employees. On the other hand, it is the submission of the State that the acceptance of the recommendations of the One Man Commission resulted in greater anomalies; that the level of Assistant Engineers, which is the entry level in various Engineering services was wrongly clubbed with other entry level services like Assistant Surgeons; and that as a result of upward revision for Assistant Engineers the gap

between the level of the Assistant Engineers and the subordinate ranks got widened to a considerable level while the Assistant Engineers and the promotional level for Assistant Engineer were brought almost at the same levels. According to the learned Advocate General, various such anomalies were required to be sorted out which in turn made the State Government to constitute the PGRC. According to the State Government, normally the pay scales afforded to equivalent ranks in the Central Government are higher than the ranks in the State Government but the entry level of Assistant Engineers in the State Government, as a result of the recommendations of the One Man Commission was kept at a level far too higher than their counterparts in the Central Government.

13. The Tabulated Chart which is part of GO No.242 indicates very clearly that the Assistant Engineers who were in the pre-revised pay scale of Rs.6500-11100 (column No.3), by virtue of acceptance of the recommendations made by the 6th Central Pay Commission were kept in the pay scale of Rs.9300-34800 with grade pay of Rs.4700/- (column No.4) as a result of GO No.234 dated 01.06.2009, while the next promotional level i.e. of the Assistant Executive Engineers was kept at Rs.15600-39100 with grade pay of Rs.5400/-. The recommendations of the One Man Commission resulted in upward revision to the extent of Rs.15600-39100 with grade pay of Rs.5400/- (column No.5) for the Assistant Engineers. The recommendations of the PGRC resulted in refixation for Assistant Engineers in the scale of Rs.9300-34800 with marginal increase of grade pay to Rs.5100/- (column No.7) as against what was available pursuant to GO No.234 dated 01.06.2009.

14. The recommendations of the PGRC dealt with the effects of the acceptance of the recommendations by the One Man Commission. Para 3 of the recommendations quoted hereinabove shows that certain aspects of the matter were found to be anomalous. The submissions advanced by the learned Advocate General also show how the difference between the Assistant Engineers and the post immediately lower than that was getting widened, while at the same time, the post of Assistant Engineer and the next level of promotion i.e. the post of Assistant Executive Engineer were brought almost at the same level. These anomalies found by the State Government, had to be addressed. If the State Government, therefore, constituted the PGRC, such decision by itself cannot be found to be illegal or invalid.

15. It has always been accepted by this Court that prescription of pay scales and the assessment in that behalf is a complex matter which requires expertise. For instance, in **Dy. Director General of Geological Survey of India and another v. R. Yadaiah and others**¹ it was observed:

“Ordinarily, the courts or tribunal should not go into the question of fitment of the officers in a particular group or the pay scales thereof, and leave the matter to the discretion and expertise of the special commission like the Pay Commission.”

In **State of Bihar and others v. Bihar Veterinary Association and others**² it was observed :-

“13. If the courts start disturbing the recommendations of the pay scale in a particular class of service then it is likely to have cascading effect on all related services which may result into multifarious litigation. The Fitment Committee has undertaken the exercise and recommended the wholesale revision of the pay scale in the State of Bihar and if one class of service is to be picked up and granted higher pay scale as is available in the Central Government then the whole balance will be disturbed and other services are likely to be affected and it will result in

complex situation in the State and may lead to ruination of the finances of the State.”

In **Hukumchand Gupta v. ICAR**³ it was stated :-

“20. ... Prescription of pay scales on particular posts is a very complex exercise. It requires assessment of the nature and quality of the duties performed and the responsibilities shouldered by the incumbents on different posts. Even though, the two posts may be referred to by the same name, it would not lead to the necessary inference that the posts are identical in every manner. These are matters to be assessed by expert bodies like the employer or the Pay Commission....”

16. It may be stated here that the 6th Central Pay Commission comprising of experts in the field had recommended certain pay-scales for various posts. The Official Committee which comprised of Principal Secretary to the State of Tamil Nadu, Home Department, as Chairperson with (i) Principal Secretary, Finance Department; (ii) Principal Secretary, Personnel and Administrative Reforms Department; and (iii) Principal Secretary, School Education Department as Members, had examined the matter and made certain recommendations which were accepted by the Government by GO No.234 dated 01.06.2009. The One Man Commission appointed to consider the anomalies, however, recommended something which was far in excess of what was accepted by GO No.234 dated 01.06.2009 which in turn was in tune with the recommendations of the 6th Central Pay Commission. It is true that the Government had accepted the recommendations of the One Man Commission but if further anomalies were found which called for action on part of the Government, any exercise to reconsider the matter by the State Government could not be faulted nor could the constitution of the PGRC be said to be invalid or illegal.

17. Further, if there was any infirmity in the exercise of power by the PGRC in not granting adequate notice and hearing to the concerned, such infirmity could certainly be sorted out. That is exactly what the Division Bench undertook while passing the directions quoted hereinabove. We, therefore, see no error in the approach of and the directions issued by the Division Bench of the High Court.

18. But, it has been more than five years since the directions were issued by the Division Bench of the High Court and as a result of the interim orders passed by this Court, the PGRC could not be set up. In the circumstances, certain modifications in the directions issued by the Division Bench in para 5 of its order are called for and we proceed to direct:-

(A) Direction No.(i) as issued by the Division Bench is reiterated except that Mr.Justice A.S.Venkatachalamoorthy having now expressed his unwillingness, Mr. Justice D. Murugesan, formerly Chief Justice, High Court of Delhi is appointed as Chairman of the Pay Grievance Redressal Committee.

(B) Direction No.(ii) as issued by the Division Bench is accepted and it is added that the Chairman of the PGRC will be at liberty to co-opt any two experts as he deems appropriate as members of the PGRC, who shall be paid such honorarium by the State Government, as the Chairman deems appropriate.

(C) Direction Nos.(iii) and (v) to (vii) issued by the Division Bench are accepted and do not call for any change.

(D) Instead of Rs.1.5 lakhs per month, we fix the honorarium of the Chairman of the PGRC at Rs.3.5 lakhs per month but the other parts of Direction No.(viii) are maintained.

(E) Direction No.(ix) issued by the Division Bench is accepted and does not call for any change.

(F) It is further directed:-

a) Within a week from today, the State Government shall issue appropriate orders constituting the PGRC as stated above.

b) Within a week thereafter, the State Government shall make appropriate and adequate arrangements and provide office space befitting the status of the Chairperson and other Members and also provide adequate staff, secretarial assistance and other facilities.

c) Within two weeks of the constitution of the PGRC all the concerned individuals/associations shall file their representations. No representation filed beyond the period of two weeks shall ordinarily be accepted by the PGRC.

d) Direction No. (iv) issued by the Division Bench shall stand modified to the aforesaid extent.

e) These directions are in addition to and in further elaboration of direction No. (vii) issued by the Division Bench.

19. It is clarified that regardless of the decision to be taken by the PGRC, any amount paid by way of financial benefit extended to and enjoyed by the concerned employees shall not be recovered i.e. to say that in case the decision in pursuance of the recommendations of the PGRC results in reduction in pay-scales or emoluments as were granted pursuant to GOs dated 26.08.2010, such reduction shall be prospective in application from the day the recommendations of the PGRC come into effect.

20. It must be stated that the recommendations of the 7th Central Pay Commission have since been made and the issue regarding implementation of such recommendations is presently under active consideration. The present matters which pertain to the recommendations of the 6th Central Pay Commission therefore need to be resolved at the earliest. **Interim orders in the cases in connection with the
Assistant Executive Engineer Promotion panel**

WP.Nos.34153 and 33373 of 2019
and WP Nos.10117, 3617 & 8402 of 2017
and WP Nos.36614 & 43750 of 2016

N.ANAND VENKATESH., J.

This Court passed an interim order dated 05.12.2019 based on the undertaking given by the learned Additional Advocate General. Today a detailed counter affidavit has been filed by the 1st and 2nd respondents.

2.The learned Advocate General submitted that as on date, totally the sanctioned strength of Assistant Executive Engineer is 758 and there are 473 vacancies. The Government is not able to proceed further with the promotions due to the *inter se* disputes and in the meantime work has to go on in some important projects. The requirement for the Assistant Executive Engineer in those projects has also been listed in the counter affidavit. The learned Advocate General submitted that in order to tide over the situation, temporary promotion has to be made under Section 47 of the Tamil Nadu Government Servants (Conditions of Service) Act, 2016. The learned Advocate General submitted that the persons who are given temporary promotion cannot claim any seniority or claim any advantage by virtue of their names finding part in the temporary promotion list. The learned Advocate General made it clear that, this is only a temporary arrangement and depending upon the ultimate result of the Special Leave Petition to be filed before the Hon'ble Supreme Court, action will be taken.

3.The learned counsel for the petitioner submitted that the temporary promotion list that is sought to be published by the respondents consists of persons who were promoted based on roster point and which has now been struck down by the Hon'ble Division Bench. Therefore, the learned counsel submitted that by publishing a temporary promotion list, the respondents are only trying to get over the judgment of the Hon'ble Division Bench and in a way it goes against the judgment of the Hon'ble Division Bench. The learned counsel submitted that such a temporary promotion list should not be permitted to be published by the respondents.

4.The crux of the issue is whether the temporary promotion list that is now being prepared by the respondents based on the existing list available, will go against the judgment of the Hon'ble Division Bench. The Hon'ble Division Bench has already struck down Sections 1(2), 40(1) and 70 of the Tamil Nadu Government Servants (Conditions of Service) Act, 2016 as ultra vires and unconstitutional.

5.The Hon'ble Division Bench has also directed the respondents to redo the exercise of fixation of seniority within a period of 12 weeks from the date of receipt of copy of this order. The case of the petitioner is that, consequence of the declaration made by the Hon'ble Division Bench will result in considering the promotion on merits and not on roster point. The apprehension that has been raised by the petitioner is that a temporary promotion list is being prepared with persons

who were earlier considered for promotion on roster point and therefore the same is in violation of the judgment of the Hon'ble Division Bench.

6.In the considered view of this Court, this issue raised by the petitioners requires consideration by the same Division Bench which had struck down the above provision. A single Judge should not be hearing this writ petition and interpreting the judgment of the Hon'ble Division Bench. Therefore, it will be fit and proper to post these writ petitions before the same Division Bench.

7.After hearing the counsel appearing in all the other writ petitions and also the learned Advocate General, this Court is also of the considered view that the other writ petitions pertaining to the years 2016 and 2017, need not to be tagged along with these writ petitions and they can be heard independently. Therefore, except W.P.Nos.34153 and 33373 of 2019, all the other writ petitions need not be tagged along with these writ petitions.

8.Registry is directed to get appropriate orders from the Hon'ble Chief Justice and post W.P.Nos.34153 and 33373 of 2019 before the Hon'ble Division Bench.

9.Registry is also directed to get appropriate orders to post WP Nos.36614 & 43750 of 2016 and WP Nos.10117, 3617 & 8402 of 2017 before this Court or any other Court, after getting appropriate orders from the Hon'ble Chief Justice.

Letter to the Additional Chief Secretary to Government, Finance Department, Secretariat, Chennai – 600 009. on Revision of Scales of Pay – Constitution of Pay Grievance Redressal Committee – Appointment of Chairman and Members – Orders issued – Reg vide **Letter No.002/GS-AOE/148-2019, Dt.12.12.2019**

Respected Sir,

- Ref:**
1. G.O.Ms.No.71, Finance (Pay Cell) Dept. dated.26.02.2011
 2. G.O.Ms.No.242, Finance (Pay Cell) Dept. dated 22.07.2013
 3. Orders of Hon'ble Supreme Court of India, dated 28.11.2019 in CA No.10029 of 2017 and batch cases.
 4. G.O.Ms.No.381, Finance (Pay Cell) Dept. dated 04.12.2019

We are very much thankful to the Government, Finance Department for constituting Pay Grievance Redressal Committee (PGRC) under the Chairmanship of Hon'ble Mr. Justice D. Murugesan, Former Chief Justice, High Court of Delhi for rectification of Pay Anomalies of Engineers and other categories affected as per G.O. in the reference 1st and 2nd Cited.

We wish to inform that the following points need Clarification:

1. The Hon'ble Supreme Court in reference 3rd cited said that (para 18-B) Chairman of the PGRC will be at liberty to co-opt any two experts as he deems appropriate as members of the PGRC who shall be paid such honorarium by the State Government as the Chairman deems appropriate.

The above point is not included in the Government order 4th cited and the PGRC is incomplete in this regard.

2. The office address of the PGRC is not mentioned in the Government order. Since we have to make representation to the PGRC at an early date, we need the office address of the PGRC.

We, therefore request the Government, Finance Department to consider the above points and issue amendments to the Government order 4th cited duly incorporating the above points.

3. The time frame fixed in the Hon'ble Supreme Court judgment in Para 18-F(c) is, "within two weeks of the constitution of the PGRC, all the concerned individuals / associations shall file their representations".

We request the Government, to consider the above points and issue orders in this regard which may be communicated to us for representing our grievances to the PGRC within the prescribed time limit.

With kind regards,

Yours truly,

Er. K. Murugan,
General Secretary, AOE
